

English – Reading Spine

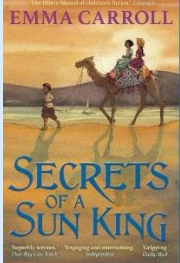

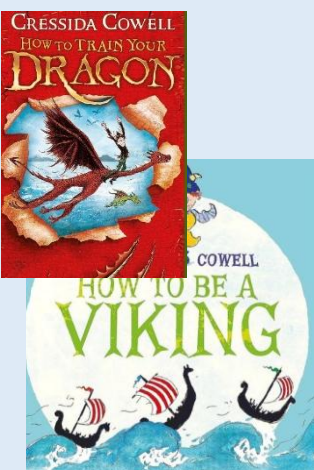

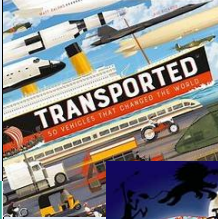

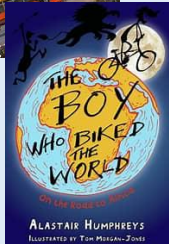

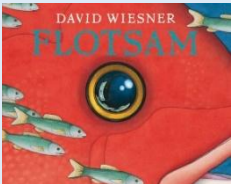

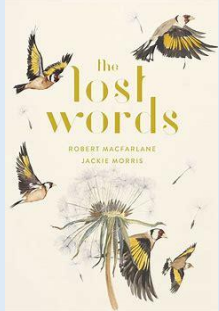

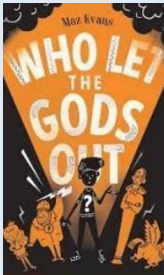

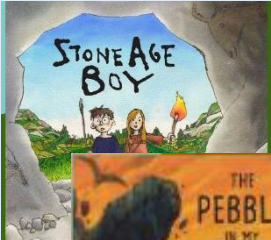

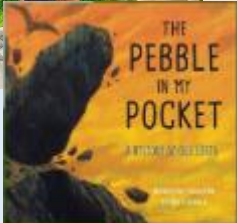

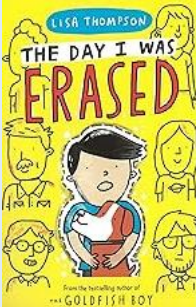

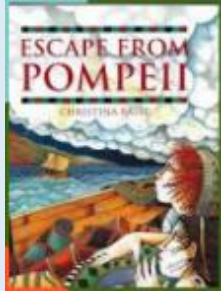

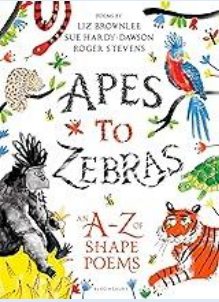

STRIDE Curriculum 2024/25

At Seagrave Village Primary, we are excited to introduce our whole school reading spine, a carefully curated collection of high-quality texts that will form the backbone of our reading curriculum. This reading spine is designed to expose our pupils to a rich tapestry of literature, spanning various genres, styles, and authors, as they progress through their primary education. Our selection aims to challenge, inspire, and nurture a lifelong love of reading in every child. By providing a common bank of stories and texts, we seek to create shared literary experiences that will bind our school community together and build each pupil's inner world of imagination.

The reading spine includes both fiction, poetry and non-fiction works, ensuring a balanced diet of reading material that will not only enhance pupils' comprehension skills but also broaden their understanding of the world around them.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p>WATERMEAD KS1 Cycle A</p> <p>Nature & Environment</p>	 	  <p>Non fiction</p>	<p>Author Study – Julia Donaldson</p> 		 	   <p>Poetry</p>
